*Aleixo F. da Costa*, Director of New & Renewable Energy & ex officio Jt. Secretary.

Panaji, 7th December, 2022.

## Department of Public Works

—  
Notification

12-13/PWD/PCE-EO/2022-23/194

**MLA-Local Area Development Scheme  
(MLA-LAD), Goa**

The Government of Goa is pleased to frame the scheme in order to ensure all round development of the State.

1. *Short title and commencement.*— (i) This scheme will be known as MLA-LAD, Goa (MLA-Local Area Development Scheme, Goa) and will be applicable to all the 40 Assembly Constituencies in the State of Goa.

(ii) It shall come into force with immediate effect from the date of notification in the Official Gazette.

(iii) The scheme will be implemented by the Public Works Department (PWD), Government of Goa.

2. *Introduction to the Scheme.*— The Public Works Department since its inception has been the forefront in creating and maintaining minor and major infrastructure projects within the State of Goa across all sectors viz., Water Supply & Sanitation, Roads & Bridges, National Highways, Government Buildings through its different wings of PWD such as PHE, NH, R&B and Buildings.

Under this scheme, Constituencywise fund allocation will be earmarked for all the Assembly Constituencies every year in the State's Budget. The PWD will be the single Nodal Authority for implementation and execution of this scheme through its designated Works Divisions, in all the Assembly Constituencies.

3. *Objectives of Scheme.*— (1) This scheme is formulated with the objectives as follows:-

(a) To enable Hon'ble MLAs to undertake various works as deemed necessary in their respective Constituencies, as envisaged in the scheme.

(b) To enable Hon'ble MLAs to cater to the request of his constituents in undertaking works which are for the benefit of the General Public/Community

at large, which works otherwise may not be able to be taken up as a revenue/capital work.

4. *Scope of the Scheme.*— Under this scheme projects which normally cannot be taken under the revenue or capital head of accounts, but which are for the benefit of the General Public/Community at large, will be allowed to be taken up every year as per the priority of the concerned MLA and as per the local need and requirement. The MLA can also suggest works pertaining to upgradation, augmentation, strengthening, improvement, creation of infrastructure facilities of permanent nature in this scheme, if he so desires. However, the prescribed annual limit for the works recommended by the MLA will be upto the limit of the annual funds provided for each MLA in the budget, irrespective of what kind of work the MLA has recommended i.e. Revenue/Capital or otherwise.

5. *Eligibility.*— 1) Each MLA shall submit the proposal in the prescribed format on their letter head duly signed, for in principle approval of the Hon'ble Minister for P.W.D. so that the said proposal can be processed under this scheme.

2) Once the proposal gets the in principle approval of the Hon'ble Minister for P.W.D., the said proposal shall be submitted to the concerned Works Divisions of PWD, for preparation of detailed estimate and for the technical sanction of the competent authority.

3) The proposals submitted by the Hon'ble MLAs shall be processed subject to the condition that it is for the benefit of the General Public and not for any single beneficiary and the ceiling limit of funds allotted to the respective MLA for the financial year under this scheme are not exhausted.

4) Upon receipt of in principle approval from the Hon'ble Minister for P.W.D., the concerned Executive Engineer shall prepare the detailed estimate and also get the technical sanction accorded to it, within a period of 10 days. Thereafter the said Executive Engineer shall submit the proposal

along with all other details of the estimate viz., name of work, estimated cost put to tender, total cost including all other charges, brief scope of work, time period for completion and any other detail of the work that may be required to be submitted and such estimates shall reach the office of the Minister for P.W.D. through proper channel within 15 days from the date the in principally approved proposal is received by the respective Executive Engineer.

5) The detailed estimate shall be placed by the Hon'ble Minister for P.W.D. before the State Level Scheme Sanctioning Committee (SLSSC) which shall be constituted under the Chairmanship of Hon'ble Chief Minister, with the Hon'ble Minister for P.W.D. as its Vice Chairman and the Chief Secretary, Secretary Finance, Secretary P.W.D., Additional Secretary Finance (Expenditure), as its Members and the Principal Chief Engineer, P.W.D. as its Member Secretary.

6) Once the approval of the SLSSC is received, the Executive Engineer shall invite the tenders within 08 days from the date of the SLSSC approval.

7) Only those works that can be completed within a maximum of 365 days shall be permitted to be taken up under this scheme.

8) The budget allotted under this scheme shall be non lapsable. The approval granted by the SLSSC shall include expenditure sanction and no separate concurrence of the Finance Department shall be applicable for works under this scheme. Therefore, all works which are tendered and the bid of the successful bidder is upto +5% of the estimated cost shall be considered for acceptance as per the delegated powers and shall be eligible for issue of AA&ES order. However, where the amount quoted by the successful bidder exceeds +5% of the estimated cost, such tenders shall be placed before the Goa State Works Board (GSWB) and once approved by the GSWB the same shall be placed before the SLSSC for accord of expenditure sanction.

6. *The eligible works that can be taken up under this scheme is mentioned under the following broad categories.—*

A. Drinking water supply & sewerage:  
Works under the above head which cannot

be taken under revenue or capital budget head can be proposed by the Hon'ble MLA. This would also include giving tap connections (only providing of infrastructure and not payment of water tariff) to houses of occupants from the Low Income Group (not commercial establishments).

B. Roads & bridges: Under the above head, works like construction of gutters, retaining wall, protection wall, footpaths, paving of footpaths and open areas, asphaltting of parking areas/open areas etc., and all other works which cannot be taken under revenue or capital budget head can be proposed by the Hon'ble MLA.

C. Buildings: 1. Construction of crematoriums or development of burial grounds, cemeteries, kabrasthans etc.

2. Construction/repairs of playground, community hall, community wells, public library, public toilets, garbage sheds, parking sheds, science park etc., not belonging to any of the Government Departments.

3. Illumination, PA system of public places like gardens, parks etc., not owned by any Government Department.

4. Illumination of important buildings, providing of sound system, gym equipments, establishment of artificial intelligence labs, 3-D printer labs and streamed labs in Government and non Government Schools and Colleges, providing of furniture to Government and non Government Schools and Colleges.

5. Erection of pandals, shamianas, supply of portable toilets etc., for different community functions within the Constituency.

D. Works in private properties: Developmental works proposed in private properties for creation of the asset is in larger public interest, an irrevocable NOC is to be first obtained from the land owners and copy of such NOC in original must be submitted by the respective M.L.A. along with the proposal. In case of title of the said land being vested in multiple owners,

then irrevocable NOC from all co-owners must be obtained. No proposal where the NOC from the land owner is incomplete shall be processed. However, the maximum annual limit for such works will be 25% of the Annual Ceiling Limit.

E. Inadmissible components: 1) The MLA's shall ensure that no works on the National Highways are proposed by them and works eligible under any Centrally Sponsored Scheme shall also not be taken up under this scheme.

2) Supply of drinking water by tankers, procurement of materials, construction of Government Buildings for office set up shall not be eligible under this scheme.

3) Hiring of vehicles, labourers and any other outsourcing of works shall not be allowed under this scheme.

4) Expenditure to be incurred on inauguration of asset creation shall not be allowed under this scheme.

5) All works proposed under this scheme should have clear land availability along with NOC's from the owners and no cost towards land acquisition will be allowed under this scheme.

6) Work already included in any other scheme/Budget Head should not be included in this scheme and no part work to be proposed under this scheme.

7) Splitting of works are not permitted under this scheme and the entire work has to be taken up as one single work.

8) The role of SLSSC is to accord Administrative Approval and Expenditure Sanction (AA&ES) for the projects placed before the SLSSC as per the annual ceiling limit of each constituency as defined herein above in this scheme.

All the works will be through e-tendering mode only.

The SLSSC will meet at least once a month.

All the works taken up under this scheme will be subjected to check on quality assurance as per the CPWD manual.

7. The Member Secretary of the SLSSC shall place the progress report of works sanctioned under this scheme before the SLSSC at its

every meeting, Constituency wise, until the said works are completed in all respects.

8. *Convergence of MGNREGA.*— Each MLA except MLA whose Constituency Jurisdiction covers only Urban areas, will propose a component every year for convergence of MGNREGA scheme in that particular constituency to take up below mentioned suggestive list of works in addition to the works proposed under MLA-LAD scheme to become eligible to take up works under MLA-LAD scheme.

1. Painting of speed breakers/ /Government office buildings and other Government office buildings.

2. Cleaning of gutters.

3. Clearing of vegetation, bush cutting etc., at public places.

4. Any other initiative as proposed by the Hon'ble MLA subject to approval of SLSSC.

The above works will be taken up through convergence scheme under MGNREGA scheme in consultation with the respective DRDA having jurisdiction over the respective Hon'ble MLA's Constituency, every year through Works Divisions of Buildings Sector of the PWD, whose Executive Engineer shall be responsible to prepare detailed estimates for labour and material components as per the guidelines.

The Hon'ble MLAs will submit the list of works proposed in Annexure-I to PWD every year.

9. *Quantum of Financial Assistance under the Scheme.*— The annual ceiling limit to take up projects for each Assembly Constituency will be Rs. 2.5 crores.

10. *Pattern of Assistance.*— All the works approved under the scheme will be taken up under Demand No. 21 of Public Works Department and sufficient budgetary provision will be earmarked for execution of the scheme.

11. *Relaxation of the provision of the Scheme.*— The Government shall be

empowered to relax any or all of the clauses or conditions of this scheme in genuine case(s) for sanction of projects.

12. *Interpretation of the provision of the Scheme.*— If any question arises regarding interpretation of any clause, word, expression of the scheme, the matter shall be referred to the Government and the Government's decision will be final and binding.

This issues with the concurrence of the Finance Department (Fin.-Exp.) vide their U. O. No. 1400089675 dated 22-11-2022.

By order and in the name of the Governor of Goa.

*U. P. Parsekar*, Principal Chief Engineer, PWD & ex officio Addl. Secretary.

Panaji, 6th December, 2022.

#### ANNEXURE-I

#### Format for submission of eligible projects by Hon'ble MLA on the letter head of Hon'ble MLA

To,  
The Vice Chairman (SLSSC),  
c/o Office of the Hon'ble Minister for PWD,
